

**CFM Mission Statement**

*Clarendon Fund Manager's mission is to identify, invest in, and help to grow successful and sustainable businesses that contribute to the wider success of the NI economy.*

*We achieve this by helping innovative and high potential companies to thrive, create jobs and deliver value for our investors.*

*We provide a culture where our employees can learn, grow collegially and build a better society. Our dedication to supporting innovation enables us to contribute to creating a more sustainable, equitable and successful economy.*
