

**CFM Purpose Statement**

*Clarendon Fund Managers exists to create lasting positive impact by supporting the growth of businesses that drive innovation, opportunity, and prosperity across Northern Ireland. Our purpose is to contribute to a more sustainable and inclusive economy by backing companies that generate quality jobs, strengthen local communities, and build resilience for the future.*

*We believe investment is not just a financial activity but a means of shaping a fairer, more prosperous society. By aligning capital with purpose, we aim to deliver benefits that extend beyond our investors to employees, entrepreneurs, and wider society.*
